

1665 Hearth Tax Assessment for Herefordshire - Names Index

The following pages contain the Names Index to the 1665 Hearth Tax for Herefordshire. It was compiled by John Harnden and is printed in the typescript volume of the Hearth Tax entries for each parish which is held at Herefordshire Archives. To reduce the workload of preparing this for publication on the website it has been photographed rather than scanned and produced with minimal post-processing but is perfectly legible.

The initial letter of each surname below links to the start page for that letter. A new initial letter may start mid-page.

A	B	C	D	E	F	G	H	I	J

At the end of the name index is a [page of entries](#) where names or places were omitted in the original document.

INDEX OF NAMES		
Each name appearing in the Hearth Tax lists and Militia Assessment lists has been indexed in the following pages to the particular parish etc in which it appears. This has been done by giving each parish, township or area an alpha-numerical symbol, and for ease of cross-reference these symbols are the same as those used in Faraday's book on the Herefordshire Militia Assessments. Where a parish etc is further subdivided another alphabetical character has been added. The first alphabetical code indicates the hundred in which the parish is situated:-		
Alphabetical code	Hundred	Pages
B	Broxash	1-18
E	Ewias Lacy	" 19-25
Ge	Greytree	" 26-41
Gm	Grimsworth	" 42-53
Hfd	Hereford City	" 54-57
H	Huntington	" 58-66
R	Radlow	" 67-85
S	Stretford	" 86-97
Wb	Webtree	" 98-111
Wg	Wigmore	" 112-127
Wp	Wolphey	" 128-148
Wm	Wormilow	" 149-165

If there is more than one reference to a name in each separate list the number of references has been added in brackets after the parish symbol.

INDEX OF MISSING SURNAMES

In 71 instances a forename is shown without any surname following it. It would appear, from random tests, that the missing name is not intended to be a copy of the one above, and it can only be, therefore, that the enumerator did not know and could not get the name.

There are no names missing in 5 of the hundreds, only 1 in Greytree and Stretford, 7 in Ewyas Lacy, 12 in Hereford, 18 in Huntington, and 32 in Wolphy. The appropriate forenames are listed below.
