

1665 Hearth Tax Radlow R28 Wellington in Ledbury parish

This presumed page, identified from the Militia Assessments (LMA), is missing from the transcript pages which are consecutively numbered from p83 (R25 Tarrington – not Taddington) to p84 (R29 Westhide). The missing information for R27 (Wallhills Fairtree Plaistow) is on page 77 with R15a Ledbury Borough. R28a (Michell in Ledbury) is on page 79.

In the LMA Anthony Vobe cler. is in R28 Wellington, but John Hornden comments in the 1665 Hearth Tax transcript in R16 Ledbury Foreign that Anthony Vobe, who appears there, is in Wellington in the LMA.
